The CRC is governed by a volunteer management committee of **6** members who provide their service voluntarily.

State, Government & Community Information Provided

256

“Even though at times I don’t feel comfortable with my role on the management committee, my increased confidence allows me to get through and there is good support from the staff.”
Linda – Chairperson until September 2023

Participation

- 866** people participated in **58** community events
- 45** people participated in **15** workshops, courses, or programs
- 75** people accessed one-on-one help
- 9** videoconferences were provided
- 21** hot office bookings were completed from visiting services

Intergenerational Easter Activity

WHAT WE DO – OUR IMPACT

221 people accessed the Seniors computer. This is a free service.

\$500.00 in donations were received for prizes for Kondinin Shire Through the Lens photography competition.

Kondinin Community Consultative Council held 4 meetings in the training room and utilised the videoconferencing facilities to include representatives from interstate via Zoom/Teams meetings. They also utilised the outdoor kitchen to provide dinner for members. Westwind Energy Development's Community Liaison Officer regularly utilised the small room as a base whilst working out of Kondinin.

Feedback

"A fantastic service in our small community. Always amazed at the number of services they provide" Marie

"Really enjoyed the Science Show and hands-on experiments. Very fortunate to have in Kondinin. Thanks to the CRC for organising." Hayley
