May 2024

The CRC says farewell to Jo McCubbing, who in her short 3 month stint has achieved so much and value-added to our Centre. She has been instrumental in getting Red Soil Souvenirs up and running which has given Kondinin residents an avenue of purchasing unique gifts from local creative businesses and regional artisans. We wish Jo all the best in her next venture.

We have had no interest in the advertisement for the Staying in Place Coordinator/Project Manager. The job advertisement will be extended until Friday 17th May. If you know anyone who may be interested please pass on the information.

With the lack of staff availability you may find the CRC is closed. Unfortunately, this situation cannot be avoided. There also may be less activities/workshops offered. We are desperately in need of relief staff to help these situations being avoided. If you are interested please drop in and have a chat with me.
